Mr. P. Kumaran Ezhuthassan.—Will the Government be pleased to have this report on the Council table printed?

Mr. I. N. Menon.—It is printed.

Mr. P. Kumaran Ezhuthassan.—A typed copy has been placed on the council table. Will the Government be pleased to have it printed?

Rama Varmha Tampuran.—Yes it can be done. There is no objection at all to get this printed. The only difficulty was we had no time. Since it is the Council time the greater is the pressure to get the work done in time. I have explainted it before, even in the previous session. The printing can be done and all other papers which have not been printed can be printed and incorporated in the final Proceedings of the Council and I assure the House that this reply applies to all such cases that might crop up for the next two or three days.
